# 8. COVID-19 Prevention and Control

Upon Entry

- Covid-19 test within 48 hours before arrivals in China is required.
- Regular epidemic prevention and control in place at China Customs

01

COVID-19 Vaccination

All Games participants are encouraged to take the Covid-19 vaccination before arrivals in China, but it is not a mandatory requirement.

02

COVID-19 Tests

COVID-19 tests available during the Games time, but not mandatory

03

Athletes Tested Positive

- No mandatory quarantine for athletes tested positive
- It is up to the athletes to decide whether or not to continue the competition based on their health condition.

04

Dynamic Monitoring

Policies and measures on COVID-19 prevention and control will be updated continuously, keeping up to date with the COVID-19 situation.
