### Whereabouts submission deadlines for 2023 IWF events

Dear Member Federations,

We would like to remind you that the following IWF competitions are taking place in **July, August** and **September** 2023.

**Please make sure that athletes competing in these events submit their whereabouts in ADAMS by the deadlines below.**

**Kindly note that if your athletes do not submit the whereabouts within the set deadline they will be automatically ineligible to compete at the ensuing IWF event.**

Due to the recent changes in the IWF ADR, whereabouts must include a daily home address and a training location THREE MONTHS prior to the beginning of the event.

Please refer to the updated article 5.5.16:

The *Member Federations* shall submit to IWF the list of *Athletes* set to participate in *IWF Events*, including the following whereabouts information: (a) home address and (b) training location received from each *Athlete*. Such whereabouts information shall be provided by the *Member Federations* to IWF **no later than three months prior to the each IWF Event**. The *Athletes* included in the aforesaid lists are considered included in a designated other pool (the "IWF General Pool"). In case of failure to provide the whereabouts information by the *Member Federations*, the respective *Athlete(s)* for which the whereabouts have not been submitted shall be automatically ineligible from competing at the ensuing *IWF Event* in question.

---
