Dear AWF Member Federations / Associations
Attn: President / General Secretary

Dear Sir/Madam,

The Asian Weightlifting Federation urgently informs all Member Federations that the dates of the 2026 Asian Weightlifting Championships, scheduled to be held in Gandhinagar, India, have been revised, and is now scheduled to be on **10-17 May 2026**.

This decision has been taken due to the current conflict affecting the Middle East and Gulf region, which has made it difficult for several Member Federations from that region to participate according to the previously scheduled dates. Those Member Federations therefore requested that the Championships be postponed to the next available dates.

We kindly ask all Member Federations to arrange their travel plans to India according to the new date mentioned above.

Thank you for your understanding and cooperation.

Best regards,

General Secretary's Office

Riyadh, Saudi Arabia

AWF General Secretary:

Mohammed Ahmed Alharbi
